SPRADLING[®]

WHO WE ARE

We are the leading manufacturer and worldwide partner for Coated Fabrics. Our research and design teams are committed to continuous innovation by offering our customers performance driven coated fabrics and lead the industry with up-to-date colours and textures.

We are a global company acting as a local partner. European distribution and service is managed via three warehouse locations: Germany (Hamburg), Spain (Barcelona) and the UK (Didcot). With 6 warehouse locations more and two production facilities, we are servicing over 55 countries around the world.

The combination of our market experience, design expertise, unique production capabilities, and extensive cutting-edge coating technology allows us to attend our customers needs offering customized solutions.

WHAT WE DO

Since 1964, SPRADLING® has offered design and performance solutions for nearly every application to enhance any seating environment. With products specifically engineered to meet the needs of the CONTRACT, MARINE, AUTOMOTIVE, and General Upholstery markets, SPRADLING® is well established and flexible to support a diverse target market.
